ABOUT J.J. DOMINGUEZ

J.J. Dominguez, the founder, CEO, and Managing Partner of **The Dominguez Firm, LLP** (TDF) has dedicated his life's work to enforcing the rights of injured people, fighting for the individual, and leveling the playing field. TDF is founded on three core ideals: *compassion*, *service* and *results* that translate into personalized and friendly customer service for each client.

Mr. Dominguez came to the U.S. as a 10-year-old, Spanish-speaking immigrant with his family of eight. His parents' exemplary work ethic enabled them to overcome grave disadvantages and financial hardships, while also providing their children with strong parental role models.

Before entering law school, Mr. Dominguez spent several years working in the emergency rooms of major trauma centers at UCLA Medical Center and St. Francis Hospital in Lynwood. Assisting the seriously injured helped him gain a keen insight into and a deep compassion for the gravely injured. This ingrained compassion for those in need is reflected not only in the thousands of injury cases he has championed, but also in the over 60 charitable causes he supports in the U.S. and abroad, including scholarships, disadvantaged children, health, social justice, the homeless, and others.

Mr. Dominguez earned a bachelor's degree in 1984 from California State University, Long Beach. He earned a Juris Doctor from top-ranked University of California Hastings College of the Law in 1987 and opened his law practice that same year. Now, TDF is one of the most widely recognized and successful injury law firms in Southern California. Attorneys at TDF have accumulated a proud record of over **One Billion Dollars** in recovery for injured clients.

For his efforts inside and outside of the courtroom, Mr. Dominguez has been honored with many awards and accolades. In 2011, CAOC nominated Mr. Dominguez for its Attorney of the Year Award. In 2013, he was awarded Attorney of the Year by the Hispanic National Bar Association. In 2015, The Los Angeles Business Journal awarded him its Latino Business Award for setting the example of excellence.

In 2022, Super Lawyers selected Mr. Dominguez to its esteemed Southern California Super Lawyers list for the 13th time. Only 5 percent of attorneys are selected to the Super Lawyers list after a stringent multi-phase selection process. Mr. Dominguez is a lifetime member of the exclusive Multi-Million Dollar Advocates Forum and a long-time member of several other major national, state, and local bar associations, including The National Trial Lawyers Top 100 and The Order of Distinguished Attorneys of the Beverly Hills Bar Association.
